

During your quarantine period, we are determined to make your stay as delightful as possible and will need your full cooperation.

- **Guest Room:** You are restricted to your room until you receive the second negative PCR test as per required by the Ministry of Health and Wellness
- **Smoking:** Smoking will be allowed on the patio/balcony only and not in the room
- **Social Distance:** Everyone is asked to practice social distancing (3FT) whilst here and advised to **use a facemask where necessary**, or when talking to staff or other persons.
- Guest will receive random calls to verify you are adhering to the quarantine protocols
- **Housekeeping:** We **do not** provide an in room service during your quarantine period. The room will be equipped with a broom, mop, dustpan, dishwashing liquid and pad for you to maintain the room
- **Towel/Linen Exchange:** The towel and linen exchange will be once weekly. They will be delivered to your room, and you are expected to change them out and leave the bag with the used towels/linens at the door for collection
- **Restaurant:** If you are booked on a meal plan, the Restaurant's operating hours are as follows:
  - Breakfast 7:30am - 10:00am
  - Lunch 12:30pm - 2:00pm
  - Dinner 6:30pm - 9:00pm
  - Please indicate if you have any dietary requirements or allergies when placing your food order
- **Meals:** All meals are to be delivered and consumed in your room only and the empty containers placed in the receptacles provided outside your room
- **Security:** The hotel will have 24-hour security and make checks periodically to ensure that all guests are safe. The hotel is equipped with the latest technology in CCTV, which enables officers on-duty to have full visual access to the entire property. Random property walks will be conducted
- **Medical:** The local Health Authorities from the Ministry of Health and Wellness will conduct routine checks and record the information for contact tracing purposes.
- **PCR Testing:** Private Testing is available at Sugar Cane Club Hotel for US\$200.00 per person. Testing will be done by appointment only and all results will be emailed to you within 24 to 48 hours. Alternatively, you can have your PCR test done at a Government Polyclinic, free of charge. The Maurice Byer Polyclinic is located in Speightstown, approximately 7 minutes' drive away.

Once your results are negative, you are free to enjoy the hotel and the island as normal

On behalf of the entire team at Sugar Cane Club Hotel & Spa, we look forward to welcoming you to our hotel!
